***Survival Equipment,
Procedures and Onboard Drills Course
Course Fee Waiver Application***

Cost for the 10-hour course is \$175.00 (\$110.00 for AMSEA members) and cost for the 18-hour course is \$195.00 (\$130.00 for AMSEA members). However, full or partial fee waivers are currently available to commercial fishermen who complete this application form thanks to funding from National Institute of Occupational Safety and Health (NIOSH), the United States Coast Guard (USCG), the Alaska Department of Commerce, Community and Economic Development (providing funding for Alaska fishermen only) and many individual donations.
